

Nevada Care Connection

Nevada Care Connection Resource Center

Provides assistance to help older adults, individuals with disabilities, caregivers, veterans, and families, regardless of income or age, access long-term services and supports available in the community.

Services

Our Resource Navigators offer a wide-ranging support to help individuals identify needs, goals, and explore their options. Navigators help individuals navigate the complex systems by providing services including but not limited to:

- Application assistance
- Pre-determining eligibility for public programs
- Caregiver support and respite care services
- Consumer advocacy
- Connecting individuals to services and resources they need to meet their long-term goals
- Case management for those who have dementia/suffer from memory loss that hinders their ability to maintain services long term
