Who is eligible to enroll?

All registered University of Nevada, Reno International students are required to have insurance and will automatically be enrolled in the plan and charged the health insurance fee unless they choose to submit an approved insurance waiver showing comparable coverage online at: https://studentinsurance.wellsfargo.com/UNR/unr-intl

Eligible students will be charged a Health Insurance Fee for the Fall and Spring/Summer terms. All students who have the student health insurance plan during Spring 2018 term will be covered through August 14th 2018, regardless of summer credit hours. This means that if you have paid the Spring/Summer student health insurance charge, you will have continuous coverage throughout summer term, regardless of taking classes, traveling, or graduating.

Optional Practical Training students are not eligible to purchase the UNR student insurance Plan.

Students on University approved Medical Leave are eligible to enroll on a voluntary basis for continued coverage under this Plan for only the first term immediately following medical withdrawal, provided they were enrolled in this Plan for the term prior to the leave.

Dependent Enrollment

Dependent enrollment in this plan is voluntary. Eligible students who do enroll may also insure their Eligible Dependents. Eligible Dependents are the legal spouse (or domestic partner), and their dependent children under 26 years of age. A “Newborn” will automatically be covered for Injury or Sickness from birth until 31 days old, providing that the Insured Person, who is the parent, is covered under this plan. Coverage may be continued for that child when Wells Fargo Student Insurance is notified in writing within 31 days from the date of birth and by payment of any additional premium. Dependent eligibility expires concurrently with that of the Insured Student, and Dependents must re-enroll when coverage terminates to maintain coverage. To enroll your dependents contact UNR’s student health insurance brokers, Wells Fargo Student Insurance at (800) 853-5899, M-F, 8:00am-5:00pm (PST).

Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the University of Nevada, Reno Student Health Insurance Plan. These students must provide Wells Fargo Student Insurance with proof that they have lost insurance through another group (certificate and letter of ineligibility) within 30 days of the qualifying event. The effective date would be the later of: a) term effective date, or b) the day after prior coverage ends if enrollment request is received by Wells Fargo Student Insurance within 30 days from loss of prior coverage.

You must meet the Eligibility requirements each time you pay a premium to continue insurance coverage. To avoid a lapse in coverage, your premium must be received within 30 days after the coverage expiration date. It is the student’s responsibility to make timely premium payments to avoid a lapse in coverage.
To be an Insured under the Master Policy, the student must have paid the required premium and his/her name, student number and date of birth must have been included in the declaration made by the School or the Administrative Agent to the Insurer. All students must actively attend classes for the first 45 consecutive days following their effective date for the term purchased, and/or pursuant to their visa requirements for the period for which coverage is purchased, except during school authorized breaks or in case of a medical withdrawal, approved by your school and any applicable regulatory authority. Please contact your school or Wells Fargo Student Insurance for details. Home study, correspondence and online courses do not fulfill the eligibility requirements that the student actively attend classes.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of this Certificate.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

If the Company discovers the Eligibility requirements have not been met, its only obligation is refund of premium.

**Premium Refund/Cancellation**

A refund of premium will be granted for the reasons listed below only. No other refunds will be granted.

1. All hard-waiver and mandatory (insurance is required as a condition of enrollment on campus) enrollments will NOT receive a refund of your insurance premium After the Drop Deadline of the term has passed. For dependent enrollments made directly with Wells Fargo Student Insurance that are paid using a credit card or check: if you withdraw from school within the first 45 days of the coverage period, you will receive a full refund of the insurance premium provided that your dependent did not file a medical claim during this period. Written proof of withdrawal from the school must be provided. If you withdraw after 45 days of the coverage period, your dependent’s coverage will remain in effect until the end of the term for which you have paid the premium. Refund requests for these enrollments should be directed to Wells Fargo Student Insurance at (800) 853-5899 or via email at studentinsurance@wellsfargo.com
2. If you or your insured dependents enter the armed forces of any country you and your insured dependents will not be covered under the Master Policy as of the date of such entry. If you or your dependents enter the armed forces the policy will be cancelled as of the date of such entry a pro-rata refund of premium will be made for such person, upon written request received by Wells Fargo Student Insurance within 31 days of entry into service.
3. Refunds will be granted for insured dependents in case of a qualifying event such as legal separation, divorce or death within 31 days of the occurred event, provided that your insured dependents did not file a medical claim during the insured period. Written proof of such qualifying event must be submitted. Refunds will not be prorated

**Medical Leave**

If you leave University of Nevada, Reno for reason of a covered accident or sickness resulting in a University approved Medical Leave of Absence, you will be eligible for continued coverage under this Plan for only the first term immediately following your leave, provided you have approval by your school and any applicable regulatory authority, and you were enrolled in this Plan for the term previous to your leave. Enrollment must be initiated by the student and is not automatic. All applicable enrollment deadline dates apply. You must pay the applicable insurance premium. A maximum of one term of medical leave will be granted by the University of Nevada, Reno during your academic career. Contact oiss@unr.edu for more information.
