Mission Statement

The general mission of the Department of Speech Pathology & Audiology is three-fold:

- Provide high quality educational programs for the BS, MS, & Ph.D. degrees
- Provide high quality research productivity in communication science & disorders.
- Provide high quality clinical services to the communicatively-impaired population of the region and state.

Our Strategic Objectives:

1. Increase collaborative research efforts with involvement of graduate & undergraduate & increase extramural funding
2. Increase clinical productivity by technology infrastructure
3. Increase use of educational technology in the classroom and clinic
