## **RENOWN ANNUAL NEUROSCIENCE SYMPOSIUM: ADVANCES IN NEUROVASCULAR SCIENCE**

---

**Saturday, August 17th & Sunday, August 18th, 2024  
Renown Regional Medical Center, Reno, NV**

Dear Exhibitor,

On behalf of Renown Health, we are pleased to announce the **Renown Annual Neuroscience Symposium: Advances in Neurovascular Science** on Saturday, August 17th & Sunday, August 18th, 2024, at the Renown Regional Medical Center.

This two-day course will focus on Advances in Neuroscience and include topics on advances in revascularization techniques, acute changes in stroke, neurosurgical advances, stroke rehabilitation, MMA embolization and pharmacology in new anticoagulation medication. This is a live, in-person event with an option to participate virtually.

Your company is invited to exhibit at the conference. Exhibits will take place during breakfast, breaks, and lunch. All exhibitors will be acknowledged in conference materials and at the conference. Our educational partner, the University of Nevada, Reno School of Medicine, is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide accredited continuing medical education (CME). As such, all exhibitors must adhere to the ACCME Standards for Integrity and Independence in Accredited Education. As indicated in the ACCME Standards, live promotional activities will be kept separate from the CME sessions. You can view the full agenda here:

<https://med.unr.edu/cme/renown-neuroscience-symposium-2024>

We look forward to the conference and hope that you will join us. If you are interested in exhibiting at this conference, please see the additional information included in this prospectus and complete and return the forms as indicated by August 8, 2024. If you have any questions about this conference or need additional information, please get in touch with Melissa O'Brien at [mdobrien@med.unr.edu](mailto:mdobrien@med.unr.edu), or 775-784-1983.

Sincerely,

Jon Artz, M.D.

Planning Chair

Neurology, Renown Health

Assistant Professor of Clinical Neurology, University of Nevada, Reno School of Medicine

Neurology Clerkship Director, University of Nevada, Reno School of Medicine
