OUR VISION

A Healthy Nevada

OUR MISSION

Improving the health and well-being of all Nevadans and their communities through excellence in student education and postgraduate training that produces global leaders in medicine; clinical care, safety and innovation; research with local, national and global impact; and an institutional culture of diversity and inclusion.

OUR CORE VALUES

People are our strength. • We innovate and improve.
We serve with integrity. • We succeed with trust and respect.

HONOR PLEDGE

I will strive to maintain the highest standards of responsibility, integrity and professionalism during my education and throughout my professional career.

I will neither receive nor give unauthorized assistance on examinations or assignments and I will approach my education with honesty and integrity.

I will respect and support my classmates, colleagues and teachers at all times.

I will strive to acknowledge my limitations, strive to learn from my mistakes and work to improve my skills to the benefit of my patients.

I will strive to commit myself to a lifetime of learning and teaching both the art and science of medicine.

I will strive to attend to all my patients with competence and compassion.

I will maintain patient confidentiality and be tactful in my words and actions.

I will honor the diversity of patients' experiences, cultures and beliefs.

I will recognize the privileges afforded to me as a physician and a physician-in-training and promise not to abuse them.

I will use my knowledge to improve the lives of others and never to harm.

I make these promises solemnly, freely and upon my honor.
